- 1. Climate Survey

The CEA conducted its first annual Climate Survey in the spring of 2009. This survey is made by CEA members, for CEA members, and to be used by the CEA Executive Board. The CEA intends to conduct this survey biannually, in the fall and spring, so as to collect and track data pertaining to the climate of the School District of Cudahy (SDC). Feel free to share your professional opinions regarding the climate of the SDC. Anyone interested in contributing to refining the survey should contact Jeff Dahlberg at [jdahlberg1@wi.rr.com](mailto:jdahlberg1@wi.rr.com).
