

WE ARE ONE

On April 4, 1968, Dr. Martin Luther King Jr. was assassinated in Memphis, where he had gone to stand with sanitation workers demanding their dream: The right to bargain collectively for a voice at work and a better life.

Join us to make April 4, 2011, a time to stand in solidarity with working people in Wisconsin, Ohio, Indiana and dozens of other states where well-funded, right-wing corporate politicians are trying to take away the rights Dr. King gave his life for. It's a time to show movement. A time to be creative, but clear: We are one!!!
