

# RECALL WALKER RECLAIM WISCONSIN

**W**alker's actions have been felt by people across the state, and if allowed to continue will do irreparable harm to all affected. Now it's time he hears from those of us who oppose his radical agenda. Join us for a recall kickoff rally in Wauwatosa. Bring your families and friends. Be among the first to sign the petitions that will make history in Wisconsin.

## **RALLY against Walker and his radical agenda that:**

- Strips workers of their rights to full, free and fair collective bargaining
- Undermines family supporting private and public sector jobs
- Takes away health care for the working poor
- Raises taxes for the poor while cutting taxes for the wealthy
- Imposes the largest cuts in state history to public education
- Restricts voting rights
- Hurts our environment
- Centralizes power around the Governor
