RE: Student WEA Rebate for first time NEA Active Members

Dear Colleagues:

Attached is the 2010-11 NEA Dues Rebate for former Student WEA members (or any NEA student member from any state) who have landed their first public school position as an NEA/WEAC Active Member in one of your locals for 2010-11.

New hires must send in his or her rebate between now and May 1, 2011 in order to receive their rebate in August of 2011. This opportunity applies only if this is his or her first year as an NEA active member. In other words, those hired in 2009-10 and forgot to send in the rebate are no longer eligible for their NEA Student Program rebate.

Please feel free to put the rebate application in any new member packet or have available for the first day that your local unions meet with their new members.

I have also included a sample notice that I request you place in an upcoming UniServ and/or Local newsletter. The sample notice encourages teacher members who have practicum or student teachers in his or her classroom to encourage these individuals to join Student WEA.

If you have any questions, please feel free to contact me. Thank you for your assistance and support!
