Financial Support Grant

Instructions: Complete a written narrative of your local's project proposal. Your application will be returned to your organization for completion if all the categories listed below are not addressed in your narrative. Failure to complete the proposal narrative will certainly delay the approval process and may result in the rejection of your request.

Thank you,

WU PAC

What you need to tell us in your narrative.

Describe the project plan (What do you want to do?).

Implementation (How will you do it?).

Time allocation (How long will the project take?).

Management (Who is responsible for what in your plan?).

Budget (Who will expend the funds? Who will keep the financial records for the project?).

Evaluation (How will your organization determine the success or failure of the project?).
