

# YOUR RIGHTS ARE UNDER ATTACK

## HERE'S THE THREAT:

**Your rights will be taken away.**

**Your ability to organize will be eliminated.**

**Your take-home pay will be slashed.**

**Your entire job will change – and you will have no say in what happens.**

## Take Action Now:

- Visit [weac.org/cyberlobby](http://weac.org/cyberlobby). Tell your state legislators to vote NO to shortsighted budget fixes. Tell them the state budget shouldn't be balanced on the backs of dedicated public workers.
- Call your legislators at 1-800-362-9472. Tell them that the attacks on worker rights will divide the state of Wisconsin and have a devastating effect on public education.
- Organize. Contact your local president or UniServ director to join actions across the state against the budget bill. State lawmakers need to know how this will affect you and your colleagues.
