

YOUR RIGHTS ARE UNDER ATTACK

HERE'S THE THREAT:

Your rights will be taken away.

Your ability to organize will be eliminated.

Your take-home pay will be slashed.

Your entire job will change – and you will have no say in what happens.

Take Action Now:

- Visit weac.org/cyberlobby. Tell your state legislators to vote NO to shortsighted budget fixes. Tell them the state budget shouldn't be balanced on the backs of dedicated public workers.
- Call your legislators at 1-800-362-9472. Tell them that the attacks on worker rights will divide the state of Wisconsin and have a devastating effect on public education.
- Organize. Contact your local president or UniServ director to join actions across the state against the budget bill. State lawmakers need to know how this will affect you and your colleagues.
