## All Hands on Deck!

### Regional Meetings Scheduled in February

You've heard enough about the doom and gloom - - now is the time to ACT. All of the seventy-four ESP and EA local Associations in the Bay Lakes United Educators family are asked to send at least one representative (but MORE is BETTER) to one of these regional meetings in February. Patterned on the meetings we held to inform members about the merger of Bayland and UNE, these meetings come to you in your home and/or school area so it's easier for you to participate. The meeting in your area doesn't fit into your schedule? You can attend a different meeting that matches your calendar. All members are invited to come!

We are asking every local to set up a communication network and participants in these February Regional meetings will learn an easy format for creating such a network and how to implement it in their local Association. It is an opportunity for all members to be involved in the local Association.

BLUE President, Dean DeBroux, has pledged to attend every Regional meeting and talk to members about the importance of getting involved—"All Hands on Deck!" is the rallying cry. BLUE Board members and staff will also be in attendance.

Each meeting is scheduled from 5:30—8:00 pm and a light dinner will be provided for all participants who register in advance. Please call the BLUE office at 1-800-472-5582 or email [BLUE@weac.org](mailto:BLUE@weac.org) to register. Indicate the meeting location and the number of members attending **no later than three days prior to the meeting date.**
