Membership Drive Kick-off Training

How do you answer the question, "Why should I join the union?" This workshop will help Locals answer this question and conduct a successful membership drive. The program will cover all aspects of running a successful membership drive as well as provide participants with resources useful in drafting their own local membership plan. While open and relevant to all members, it is critically important for Locals with contracts expiring at the end of the 2012 school year to attend.

Recall Election Kick-out Training

Now that we've helped gather over ONE MILLION SIGNATURES, we move into the next phase - the election itself. This workshop will help members get organized and ready for what is to come.

Highlights of the workshop include:

- our union's plan to win
- the election timeline
- talking to colleagues, families, and friends about the recall
- creating and implementing local election plans
- do's and don'ts for recall elections

Every Local is encouraged to send teams of members to attend each of the two sectionals listed above.

5:30—6:00 pm Introduction and light dinner provided.

6:00—8:00 pm Members attend one of two sectionals listed above.

Please RSVP TWO DAYS prior to date attending at 1-800-472-5582 or blue@weac.org.
