

SUMMER ONLINE COURSE FROM THE WEA ACADEMY

## Wikis, Blogs, and Podcasts *In the PK-12 Classroom*

Are you interested in implementing Web 2.0 tools in your classroom? Learn how you can use Web 2.0 tools to enhance your instruction in this WEA Academy Online course.

*Summer session registration for this 2 graduate credit course is now open.*

*Graduate credits through Cardinal Stritch University.*

*Register at [weacademy.org](http://weacademy.org)*

Web 2.0 tools provide teachers with a new and exciting way to enhance student learning and facilitate communication. In this course, participants will learn to use wikis, blogs, and podcasts, as well as how to effectively integrate them into their classroom. Participants will also have the opportunity to create an action plan employing the use, evaluation, and assessment of these tools.
