

CAUS-NORTH

POSTCARDS

CAUS-North once again has post-cards available to all our members. These cards have provided positive communication to parents and students. The postcards are 4-1/4" x 5-1/2" on colored card stock. The card listed has the phrase on the card and a small graphic. There is enough space to write a message. The other side is blank for mailing purposes.

CAUS-North will gladly supply you with as many cards as you are interested in receiving now or any-time during the year.

The postcards are usually sent along with a member from your local at one of the CAUS-North meetings in order to keep postage costs down.

Enjoy -- and call whenever you need a supply of cards!

ORDER FORM
