

The CWUC Public Relations Committee met on Monday, November 9, 2009. Members present included: Linda Copas, Chair; Sandy Fults, Staff Liaison; Karla Schoofs; TJ Pharo-Kozak; and Karen Lach.

The members judged “American Education Week” poster entries and holiday greeting card entries. Winners were chosen for each of the contests. The appropriate rewards, letters, and certificates were sent to participants and recipients of awards during “American Education Week.” Award winners will also be recognized in the December *Connection*.

Plans are being made to celebrate *Read Across America* through a contest for CWUC schools. Students in K-12 will be asked to create a bookmark that focuses on reading and literacy. The winning bookmark will be printed and distributed at the CWE Convention in the spring of 2010. Rules for the contest will be distributed in January.

Members of the committee also discussed the upcoming sale of CWUC clothing items. Items of apparel will be chosen in the future after researching products.

Respectfully submitted by,  
Linda Copas, CWUC Public Relations Chair
