Kettle Moraine UniServ Council - Retired (KMUC-Retired)

2011-12

MEMBERSHIP INFORMATION

This association is dedicated to: promoting quality public education; providing retirement with dignity; protecting state pension/benefits; and advocating for human, civil, and economic rights for all.

KMUC-Retired is a chapter of WEAC-Retired, a statewide affiliate of the Wisconsin Education Association Council created specifically for retired public school employees.

What is KMUC-Retired?

KMUC-Retired is a chapter of WEAC-Retired, a statewide affiliate of the Wisconsin Education Association Council specifically for retired public education employees. WEAC is Wisconsin's largest public education personnel organization.

KMUC-Retired is also affiliated with the National Education Association (NEA), and NEA-Retired. The NEA is the largest public education personnel organization in the United States.

Voting membership in KMUC-Retired is open to all retired public education personnel: teacher, support person, or administrator.

Stay Connected

When you retire, you only retire from your job. You don't lose interest in the profession and you don't walk away from the many friendships that you've developed.

Like many others who have already retired, you'll want to maintain a relationship with the profession and your colleagues.

Stay connected with other public education employees who are working to protect local and state pension benefits, Social Security, Medicare, Medicaid and the well-being of public education.

Help protect the benefits and services that took a life-time to obtain.

That's why KMUC-Retired exists!

Annual Activities

- ◆ General membership meetings
- ◆ Annual Retiree Recognition Luncheon
- ◆ Social events
- ◆ Legislative dinner in March
- ◆ Other KMUC meetings as listed in *THE KMUC*

Membership

KMUC-Retired membership requires concurrent membership in WEAC-Retired and NEA-Retired. There are two enrollment options:

Option #1: Already retired individuals may join KMUC-Retired/WEAC Retired/NEA-Retired with one payment for a life membership.

Life membership in KMUC-Retired/WEAC-Retired/NEA-Retired costs \$435 (\$375 WEAC/NEA-Retired + \$60 for KMUC-Retired)

To join, contact the chapter president or call the WEAC membership office and request an Already Retired Enrollment Form or go online to www.weac.org and click on Inside WEAC to find the retired site with a downloadable form.

Option #2: WEAC active members can save money by enrolling as a Pre-Retired Subscriber (prepaid life membership) in KMUC-Retired, WEAC-Retired and NEA-Retired *at any time prior to retirement.*

By prepaying your retired life membership now, you avoid paying more later because dues are increased. The current dues are \$435 for life.

To join, contact the chapter president or call the WEAC Membership office and request an Already Retired Enrollment form or go online to www.weac.org and click on Inside WEAC to find the retired site with a downloadable form.
